**Type** MUPS - Canal  
**Rating** Flat to HCWrrb waypoint.  
**Codes** R\*Fnxd  
**Track #**

**Surfaces** About 85% packed dirt/gravel/sand, some asphalt, concrete & highway milage along Santa Fe & Titan Rd

**Notes** Speed limit on trail is 20 MPH, trail really snakes around.  
 Highline Canal Trail was split into 3 sections to allow for common GPS limitations  
 Sad that after all these years, there is no official trail connection from the trail along highway 85 to trail in park and other Chatfield trails.  
 Trail comes to within about 40 yards of Chatfield trails twice, but no official connection. Am told they are still negotiating.....

**ReDakotaSlide** Redrocks, Morrison Slide & Dakota Hogback Trails

[Trail Network Overview](#) Follows Village Ride trails S out of Matthews/Winters Park. Then follows Red Rocks Trail. The track follows Morrison Slide Trail to Cherry Gulch, then heading up Morrison Slide Trail for better views. When the trail meets the Red Rocks trail again, it follows it back N to beginning of Morrison Slide trail and then back for trail coverage. Following trail S, it includes a spur trail up to a Red Rocks Parking lot. Trail then exits park to E and goes to top of the Dakota hogback that it then follows to N end and around to start.

**Key** **RDS** **Connects to:** Golden 470 (North) **Also Known As:** Village Ride Trail  
Zorro Trail

### SmokyHillRd

SmokyHill Rd with extensions from Cherry Cr State Park & to County Line Rd

Follows Cottonwood Creek trail from West of Peoria & Orchard Rd, entering Cherry Cr State Park on Shriners Trail.

Then follows Piney Cr to C470, where it then follows Sampson Gulch Cr for a while and rambles over trails in the area.
